

VIRGINIA THESPIANS

STATE THESPIAN OFFICER NOMINATION FORM

The Virginia State Thespian society has student board positions to be filled at the first planning meeting for the upcoming State Conference. It has been most effective in the past if the students have active support from their sponsors who are invited to attend meetings with the student. The main duties of the student board members are the following:

1. Attend ALL state meetings with the State Director
2. Plan and take an active part in the State Conference
3. Contribute regional news and articles for the newsletter
4. Coordinate activities and preside at the state conference
5. Assure successful regional representation
6. Establish state policies, by-laws, and constitutions
7. Establish and maintain contact with troupes in the various areas of the state
8. Work with other State Thespian Officers to encourage affiliation among non-affiliated high schools in the State
9. Encourage participation in the annual International Thespian Festival
10. Visit the high schools, view productions, and assist in initiation ceremonies for incoming troupes.
11. Establish recognition time for thespian sponsors
12. Serve the regions and State in any way needed

There is some expense involved in being a State Thespian Officer, mainly that of travel and food.
